

MERONI COMBINA

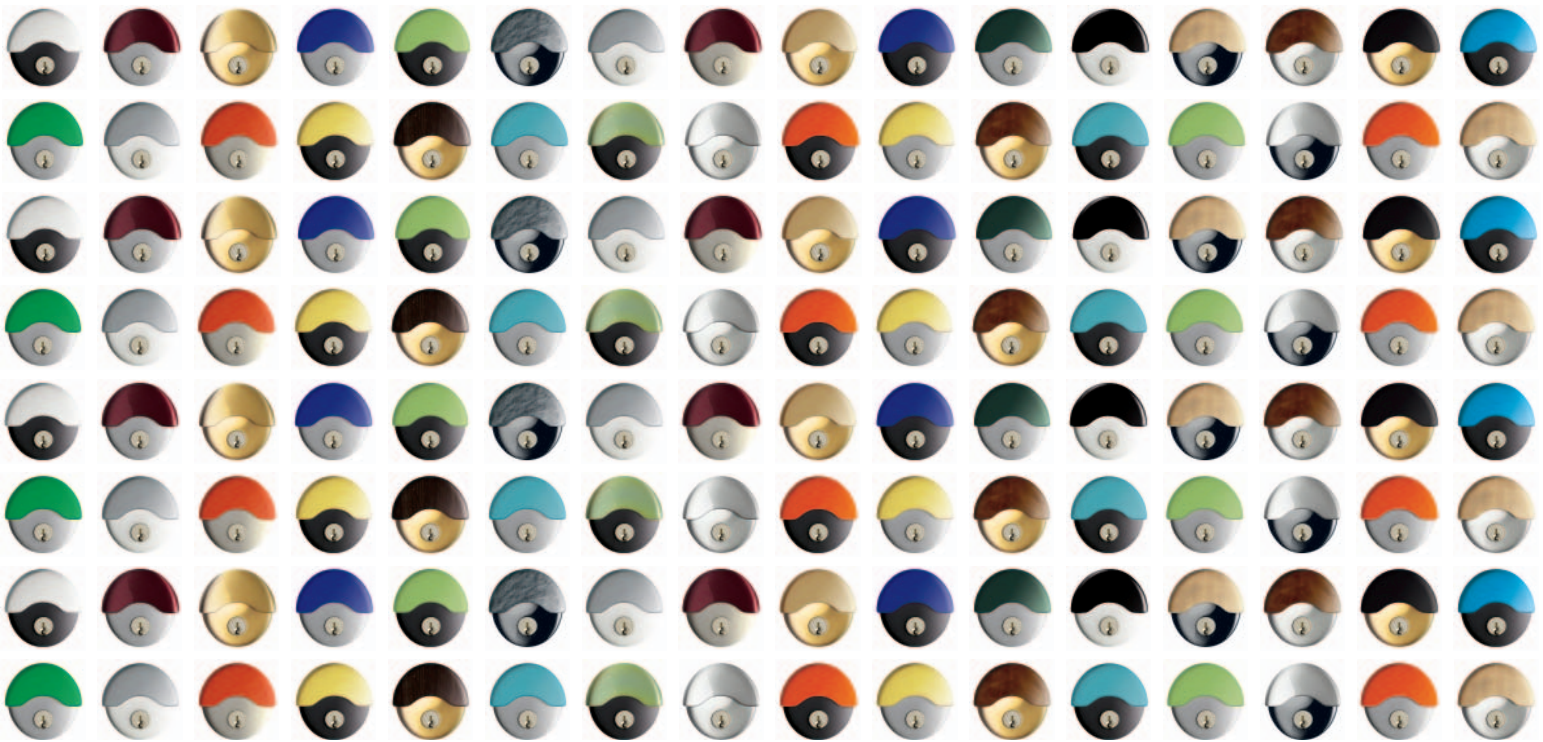

IL POMOLO
CON UN'IDEA IN TESTA!

From Meroni's experience the ultimate door lock set, perfectly merging design and ergonomics in a revolutionary concept for the thirty-five year proved PremiApri mechanism. Thanks to a joint development with POLI.Design, Politecnico of Milano, Combina is the door knob you can dress. Combine our colours and finishes, or have your knob customized. Tomorrow you will change its look as easy as you change your cap!
