ITALIA.

LA NUOVA LINEA DI CREMONESI, MANIGLIE E MARTELLINE DEDICATE ALL'ORGOGGIO DEL NOSTRO PAESE

Linee solide e armoniche, in grado di caratterizzare con un tocco di design ogni ambiente. **ITALIA** è la nuova linea di cremonesi, maniglie e martelline per finestre, porte, facciate e infissi scorrevoli, realizzata per coniugare innovazione tecnica e **Made in Italy**. La nuova gamma è dotata del sistema "click & turn" con meccanismo a microscatti, studiato per accompagnare e agevolare la rotazione del manico, ed è disponibile in tutte le finiture speciali (PVD incluso) con la possibilità del trattamento antimicrobico che protegge la maniglia dalla formazione di funghi, muffe e batteri. **ITALIA** nasce con lo scopo di coniugare design, funzionalità e prestazioni, garantendo un'elevata resistenza agli agenti atmosferici. **ITALIA**, è un prodotto **universale**, grazie alle molteplici versioni disponibili, consente di mantenere un aspetto uniforme su tutte le tipologie d'infissi.

ITALIA.

THE NEW RANGE OF CREMONE BOLTS AND HANDLES DEDICATED TO THE PRIDE OF OUR COUNTRY

Solid and harmonious shapes will give a touch of design to every space.

ITALIA is the new range of cremone bolts and handles for windows, doors, facades and sliding systems, designed to combine technical innovation and **Made in Italy**. The new range is equipped with the "click & turn" mechanism to facilitate the rotation of the handle, and it is available in all the special finishes (PVD included) with the possibility of antimicrobial treatment that protects the handle surface from molds and bacteria. **ITALIA** has been created to combine design, functionality and performances, ensuring high resistance to atmospheric agents. **ITALIA** is a **universal product**, thanks to many available versions, and permits to maintain an uniform design on all types of windows.

ITALIA.

LA NOUVELLE LIGNE DE CRÉMONES, POIGNÉES ET BÉQUILLES À POIGNÉE DEDICÉES À L'ORGUEIL DE NOTRE PAYS

Lignes solides et harmoniques, capables de caractériser avec une touche de design chaque pièce. **ITALIA** est la nouvelle ligne de cremones, poignées et béquilles à poignée pour fenêtres, portes, murrideaux et châssis coulissants, réalisée pour conjuguer innovation technique et **Made in Italy**. La nouvelle gamme est dotée du système "click & turn" avec mécanisme à micro dé clics, étudié pour accompagner et faciliter la rotation du manche, elle est disponible dans tous les finitions spéciales (PVD compris) avec la possibilité du traitement antimicrobiotique qui protège la poignée de la formation des champignons, moisissures et bactéries. **ITALIA** naît avec le but de conjuguer design, fonctionnalité et performances, en assurant une élevée résistance aux agents atmosphériques. **ITALIA**, est un produit **universel**, grâce aux nombreuses versions disponibles, permet de maintenir un aspect uniforme sur tous les typologies des châssis.

ITALIA.

LA NUEVA LÍNEA DE CREMONAS Y MANILLAS DEDICADA AL ORGULLO DE NUESTRO PAÍS

Líneas sólidas y armónicas, capaces de dar un toque de design a cualquier espacio.

ITALIA es la nueva línea de cremonas y manillas para ventanas, puertas, fachadas y correderas, diseñadas para combinar innovación técnica y **Made in Italy**. La nueva gama está equipada con el mecanismo "click & turn", que acompaña y facilita la rotación del mango, y está disponible en todos los acabados especiales (PVD incluido) con la posibilidad de un tratamiento antimicrobiano que protege la maneta de la formación de mohos y bacterias. **ITALIA** se ha creado con el objetivo de combinar diseño, funcionalidad y rendimiento, y al mismo tiempo garantizar alta resistencia a los agentes atmosféricos. **ITALIA**, es un **producto universal** y gracias a las muchas versiones disponibles permite mantener la misma estética en todos los tipos de ventanas y puertas.
